# Main benefits and recommended doses

All technical advice and recommendations provided, if any, are intended for use by persons having the appropriate education and skill. Solvay shall not be liable for any use or non-use of such advice and/or recommendations. Users of our products are solely responsible for the design, construction and operation of their own facilities.

## What is Bicar<sup>®</sup>Z?

Bicar<sup>®</sup>Z is the Solvay's brand for sodium bicarbonate animal feed. Bicar<sup>®</sup>Z is a feed material which is great buffer and a source of sodium (and bicarbonate) without chlorine.

## How much?

**0,5% up to 1% of the feed taken in continuously.**

## Why?

**There are lots of reasons to use Bicar<sup>®</sup>Z.**

- > Bicar<sup>®</sup>Z **maintains a correct electrolyte balance** range by providing chlorine-free sodium (EB= Na + K - Cl)
- > **Piglets:** Increases the average **daily gain** and the body weight after weaning
- > **Pigs:** Improves the **feed intake and the growth**
- > **Sows:** Optimise the **lactation**, the **survival** of the piglets and the recovery of the sows.
